

## **HRI 6<sup>th</sup> International Homeopathy Research Conference**

*Cutting Edge Research in Homeopathy*  
Thessaloniki, Greece, 20-22 June 2025

### **Guidelines for HRI Educational Grant applications**

#### **Application deadline: Thursday 20 March 2025**

The HRI Educational Grant scheme provides financial support to applicants wishing to improve their knowledge of homeopathy research. The scheme is generously funded by the UK-based charity Manchester Homeopathic Clinic. At the donor's request, **applications are restricted to UK residents only.**

We are now calling for applications for HRI Educational Grants towards attendance at **HRI Greece 2025 only.** A range of grants from **£200 to £500** will be awarded to successful applicants.

Applications are open to those involved in the study, practice or teaching of homeopathy and/or scientific research.

#### **Application process**

To apply, please send an application letter to [events@hri-research.org](mailto:events@hri-research.org) explaining the benefits attendance would give you, along with your full name and details of your current situation.

Format: Word format double spaced, maximum one-page A4, 12 font.

Successful applicants will be selected on merit and notified ahead of the early bird deadline on 31 March.
